Tony Kart Australia have for quite some time been looking for the right dealer to cover the NSW Newcastle area.

Rod & Lyn Franks from Kartworks are the perfect fit for the high standards set by Baron Engines in order to become a Tony Kart dealer.

Rod & Lyn are long time kart shop proprietors with an outstanding record of honesty, helpfulness and very down to earth people. Tony Kart Australia are most pleased to appoint this business a Tony Kart dealership and look forward to a long and mutually beneficial time together.

Rod & Lyn more than make up for the time taken to find the right dealer for this area.
